Comments

Quote to supply and install a new Colorbond B&D Roll-a-door and remove existing door. Quote is to reuse the existing motor, controls and guides.
NOTE: We will not be installing the 20mm RHS sections on the new door like they are on the old door as this will effect the warranty on the door.
*All other works regarding bird brush etc. to be carried out by others.

We will require approximately 5-6 hours to install the new door and will also need the assistance of the forklift for a period of time also.

Quote updated to October 2024 pricing.

Itemised option for us to arrange scissor lift.

NB: This quote is subject to final site measure.
