1	Service	delivery driver had placed a panel on the side of the roller door with the intention to block the sensor.. As the panel did not block the sensor, this had the roller door commence to close and with the panel blocking the roller door channel, the roller door closed caused the door to disengage from its channel causing damage.	\$180.00	\$180.00

Subtotal: \$180.00

Total GST: \$18.00
