On the 31 December 2022 a vehicle nudged the roller door as it was coming down. The door is still operable however we would like the door assessed to determine any damage which may result in future implications.

Also advised that water is coming down from both the top corners, if you could assess this and whether it is a result of the damage.

Subtotal: \$180.00

Total GST: \$18.00

Total: \$198.00
