General service to 3 dead lift shutters test operation ok complete There was no issue with the screen on the middle door. She was wondering why you can't push the up-and-down button on the control box when it's in automatic mode so people can get in an out. There's a business on site that let customers into the car park and then they don't have a remote to leave , that was the issue 10-40 - 11-20	1.00	295.00	10%	295.00
