Assess panel lift the garage door was broken into and they broke open the lead on the control box and pop the latch off. I fixed the latch on the control box and gave the Door a service. There's an inverter on the door. They need the time changed. I know nothing about the inverter to change the timer probably need to send Tony or one of your guys that know how to change the timer on the inverter. 11-35 - 12-05	1.00	180.00	10%	180.00
