1	Service	1) Issues with Roller Door leading to car Park:- • The door is staying open and not closing. The control panel has the down button constant lit up and is displaying 1.1 and mirror image of number 3. • I have tried switching it off and restarting the control panel but still the same error code reappears. 2) Issues with Loading doc roller door:- • It doesn't open when you press the exit button, unless it is repeatedly pressed multiple times. • While operation it gets stuck midway and then we have to use control panel to manually push it up to open fully.	$180.00	$180.00
