Qty	Unit Type	Part No	Item	Unit Charge	Total
1	EA	Service	Roller shutter in the loading bay: Began malfunctioning yesterday I can no longer open or close it remotely Even manually, I need to power it off, reset it, and press the up/down buttons multiple times before it responds This poses a significant security risk, especially with commercial cleaners coming on-site after hours. If the shutter fails while unattended, the Medical Centre and the Residential Building will be left unsecured.	$180.00	$180.00
