message from site contact Hi, Unfortunately I am at work and won't be able to call. I asked for the garage door to be looked at a few weeks ago and was informed by a neighbour that someone had apparently already come and fixed it. We haven't had any issues that I have noticed since and informed the strata about that as well as they were very delayed in replying. That message is from the site contact Emily I tested the PEB and rang the door reset the limits. Can't find a fault either. 10-00 - 10-20	1.00	195.00	10%	195.00
