Essential Services – Infrastructure and Facilities Management Government Infrastructure

Emergency Services Officials,

Dice Contracting Pty Ltd provides services and maintenance to the critical infrastructure and facilities of government authorities and institutions.

During the COVID-19 pandemic, the use and dependency on the critical infrastructure and facilities (which are maintained and serviced by Dice Contracting) remain essential to ensure continuation and operation of government infrastructure.

The bearer of this letter is our employee who is essential to the continuity and operability of these critical infrastructures and facilities. In the event you come into contact with them while they are in transit, if they display to you this letter and their government issued identification (e.g. Driver's License, Health Card, Passport, etc.), it is because their role requires them to be physically present to manage and maintain these critical facilities.

We appreciate your consideration and understanding of his critical role during these unprecedented times.

Should you need to verify the authenticity of this letter, please contact Dice Contracting at the following phone number
