ESC 60 min, Went to Harvey Norman dock up area and no one knew about it as well as there was no Jason there, found out number was incorrect, and it was their bedding warehouse on other side of the road. Found to roller shutter windlocked guide had been impacted and on the ground, as all welds broken off. Refitted guide and welded guide back on as best as possible, door operational again. Alldoors need to send a competent welder back to weld properly ASAP, also recommend that the guide be fixed from the rear in a couple of places.	1.00	590.00	10%	590.00
