The Door Docta

Roller door and motor reinstalled to building
However when setting up motor the power point was not functional so used inverter on truck to set up. Poss advise that electrician checks and rectify.
Also noted that this garage is a coffin garage and should have an external key release to comply with code
We can supply and install for additional $180.00

SUBTOTAL	740.00
GST TOTAL	74.00
TOTAL	814.00
BALANCE DUE	**A$814.00**
