Description	Unit Value	Total
-------------	------------	-------

Attended site and inspected automatic sliding door

facing Marco ave, upon inspection of automatic sliding Door operator have found that control unit has Intermittent faults.

This model of automatic door is extremely old and all parts are obsolete,

have explained to store manager the situation with the automatic door and have advised her the door may fail again and also it can get stuck in the closed position as the lock on this door is non compliant and requires power to unlock.

Will submit quotation for further works, left door working but may fail again at any given time.
