DESCRIPTION	AMOUNT	CODE
28-2-2024 - Unit 4, 34 Ralph St, Alexandria. Found the grifco logic box wired incorrectly, rewired the box and reset the limit switches. Safety beam not working, so door is manual operation only. Lifting cables found to be installed incorrectly and the counter-weight covers no longer removable due to recent building works.	$360.00	GST
Note- We highly recommend fixing the cables as they are twisted and will eventually cut thru each other and door will drop a counter-weight..		GST
