GARAGE DOOR ASSESSMENT

Description

Good afternoon,

Could I please organise to have someone assess the condition of the garage door. It is a panel lift door which has been damaged. Refer to photo attached. Tenant says they have no idea how the damage occurred so landlord would like a professional opinion on whether this could possibly be a wear and tear issue or operational problem? Also, is it repairable or would the door need to be replaced?

Any opinion you could provide, would be appreciated.

Thanks, Jenny
