Job Description

Good morning,

The garage door at this property is not working again - it's not closing down.

Can you please attend the property to repair as required?

You have previously attended the property for this door.
Can you please let us know the condition of the door once repaired?

Thank you very much.

To ensure prompt payment, please:

- Address the invoice to the **Strata Plan**
- Include **Work Order Number** on your invoice.
- Send invoices **once only** as a .**PDF or .TIF** attachment to **invoices@smsnsw.com.au**. Other document formats and hyperlinked documents cannot be processed.
- send any change in bank details to **cronulla@smsnsw.com.au.**
- submit your invoice **prior to 4.00pm Wednesday**. Payments are processed each Friday*.

Please whitelist emails from the domain *@smsnsw.com.au* to ensure you receive a remittance advise.

All work must be carried out in accordance with Workplace Health and Safety requirements.

* Please note that in many instances we require direct approval from Committee members prior to approving an invoice for payment. This can, on occasion, cause delays in processing times. We endeavour to process all invoices as soon as the correct approvals have been received. We appreciate your patience in these circumstances.
