Plus GST	\$1,096.00
Total Price	\$12,056.00

Please Note:

EXTRA OVER OPTION TO UPGRADE TO REMOTE CONTROL OPERATION (PER SHUTTER) WITH 1OFF - GPS15RK STD GPS15K BEAM TO REFLECTOR AND TWO E960G REMOTES SUPPLIED AND INSTALLED - PLEASE ADD \$390.00PLUS GST EACH TO THE BASE PRICE LISTED ABOVE.

THE ABOVE PRICE IS BASED ON THE QUANTITY OF (2) TWO ROLLER SHUTTERS SUPPLIED AND INSTALLED AT THE SAME TIME, IF THE WORKS ARE TO BE STAGED OR SHUTTERS DELETED FROM EITHER SECTION, THE QUOTED INDIVIDUAL PRICING WILL HAVE TO BE ADJUSTED ACCORDINGLY.

Price Includes

Electrical wiring of motor drive(s), mounting and wiring of reversing contactor(s) and adjustments of limit switches. Others are to provide 240Volt power to beside motor terminating at a GPO.

Price Excludes

All product options not specified above. These include but are not limited to slotted curtains, wicket gates, wind lock guides, weather seals, mullions, fascia panels, locks, special paint preparation or electrical control devices.

Wall Construction

Pricing assumes standard behind wall fixing for Brackets and Guide Tracks to walls or columns that form the opening(s). Accordingly, no allowance has been made for angles or posts to create side room for mounting of Brackets, Guide Tracks or drive mechanisms. Our pricing also assumes adequate head room with which to mount Roller and Curtain assembly and accordingly there is no allowance for the supply and installation of fascia panels.

Installation

Installation is in accordance with Austral Monsoon standard Works Method Statement and Safety Plan. Accordingly, no allowance has been made for scaffolds, scissor lifts, cherry pickers, cranes or any other equipment or personnel not specified in this plan.

Our price is based on free and easy access to the opening(s) and for installers to park their vehicles and unload their tools on site. We reserve a right upon on-site inspection to modify our price if installation will incur additional time due to site conditions.

Installation will be in standard working hours. No allowance has been made for installation at night or on weekends.

Supply and installation quotations are subject to site inspection.

Validity

This quotation is available for acceptance for a period of one calendar month as from today. Thereafter it may be subject to alteration.

Payment Terms

Terms of payment are 50% deposit prior to manufacture with balance on completion of installation.

Retentions are not applicable and are not to be held under any circumstances.

Liquidated Damages are not accepted by this company.

Warranty

Twelve months written guarantee is available with all products manufactured and installed by this company.

Insurances

Monsoon Industries Pty Ltd has in place all suitable insurances including Workers Compensation, Public and Product Liability to \$20 million.

We trust that this quotation meets with your approval. Should there be any aspect of the quotation including numbers of products, scope of works, exclusions or any other items requiring clarification please do not hesitate to contact myself by phone to discuss these issues.

We look forward to receiving a favourable response.

ENGINEERED DOOR SOLUTIONS
