Work Health & Safety (“WHS”) Compliance
In the course of making the supplies contemplated by this work order, you must:

- Nominate a point of contact for communication in relation to work health and safety issues.
- Comply with all obligations under the Work Health and Safety Act 2011 and Work Health and Safety Regulation 2017 and any relevant codes of practice (“WHS Law”).
- Comply with any reasonable instruction by us to allow us to comply with WHS Law and co-operate with our reasonable WHS policies or procedures.
- Comply with our reasonable requirements for verifying delivery of your supplies without creation of WHS Hazards.
- Not cause any hazard to the health or safety of any person ("WHS Hazard") or adverse impact on the health or safety of any person ("WHS incident").
- Promptly notify us of any identified hazard to the health or safety of any person ("WHS Hazard") and any identified incident representing an adverse impact on the health or safety of any person ("WHS incident").
- When entry into strata property will occur, first enquire with us as to any site hazards.
- When dealing with strata property which may contain asbestos contaminated materials, review the asbestos register and asbestos management plan for the relevant site and verify that you have the requisite license and experience to undertake the relevant work.
