We comply with the terms laid out by the ACCC. As such, we will choose to repair, replace or refund depending on the product fault. Refunds will be processed at the same value of the invoice. This will serve as full and final settlement. The consumer acknowledges and accepts that no other compensation will be awarded. At times, the company may agree to leave the goods and provide a discount in lieu of the rectification work. This will assessed on a case by case basis and will require mutual agreement between the company and the consumer.
