ADDITIONAL INFORMATION

Lois Vuitton Store - Sydney Airport
Repair or replace CWP controller on mesh entry door.

Please on arrival call Jim (0414 523 444) on arrival to the airport so he can direct you to where to enter. The technician will be guided through xray screening where their tools will also need to be scanned. A chaperone will guide them to the door.

The tech needs to bring their tool bag, a ladder and the spare controller in case the existing one is to be replaced. The controller is installed in an access panel above the doorway on the inside of the stoor.

Arrival on site at 9:30pm to get on site by 10pm.

For enquiries relating to this purchase order, please contact the relevant department:
