Job Title: Damaged garage door gate
Job ID: 257727
Job Description: We would like you to take over the servicing of this gate as we have been let down very badly by Australian Auto Gate.

The gate has recently been replaced by Australian Auto Gate.
In December some kids were witnessed squeezing through the gate and pole. By doing this they have pushed the gate out of alignment and not it is not latching properly. Can you please attend and repair. Thanks.
