Dear Leticia Schilling

Further to our previous quotation, please see amended comments and quotation for your consideration.

Please find below a quotation for your consideration. This quote has been raised based on the recommendation of our technician having recently visited your site.

Site has mentioned they has a temporary black out due to works on a nearby power pole/line. Which meant the warehouse team were unable to manually lift our left warehouse roller door using the chains.

After receiving feedback from site, our technician has noted the LHS Roller Shutter requires whole replacement.

Supply and Install:

1 x Springless Drive Steel Shutter 4520H x 4500W -75mm
1 x D-Drive DD 420Nm SS Kit inc Operator & Controller* Galvanized Finish
Electrician Required

Total Price: $11,430.500 + 10% GST

We trust this quotation has been of assistance should you wish to proceed with this work, advise your acceptance with relevant purchase order number via return email or fax. Please dont hesitate to contact our office should you have any further questions.

Exclusions:
Any works other than specified above
Work performed after hours.
