Nature of work:	Service & Reprogram gate, reprogram 11 old remotes & supply & program 10 new remotes
Priority:	High

Work Description:

Hi Tetyana, as per the attached quotation from you earlier and our discussion today, please proceed to:

- Order our tenant 10 new remotes
- Can your tech come to site Tuesday next week 24.3.26 anytime between 10:30am-4pm? It needs to be a Tuesday as I will have access to all staffs remote on Tuesdays.
- I will also need to meet your tech on site as KBSG requires them to reprogram 11 of our remotes.
- As the gate has been reported to intermittently stop working/gate stays open halfway, KBSG will also require the gate to be serviced (this will need to be separately invoiced to us if there is any additional charge).

Please reply to let me know or call me on 0402 258 658, thank you!
