Kabin: 0432-715-246

Job Description

Multiple residents reported that the garage door was stuck since last night. Currently it's in open position. Kabin tested the motor and the release button but it doesn't work. Could you please send the technician out as soon as possible? Also could you please request the technician to disable the manual button on site. Please ask your technician to contact Kabin 0432-715-246.

Liability limited by a scheme approved under Professional Standards Legislation
