Work due —

Priority Urgent

7/23 Warialda St, Kogarah, NSW, 2217

Garage Door Repair

The garage door is stuck and cannot be opened. It also has no handle. I am unsure how long it has been this way as I've only recently taken over the management.
It is the garage at the back second from the right if you are looking at the garages.
If someone could call me on site and let me know what needs to be done that would be great.

Address invoice to
